

# IS YOUR ALARM REGISTERED?

DEADLINE FOR REGISTRATION IS SEPTEMBER 1, 2013

**A PROPERLY MAINTAINED AND OPERATED ALARM SYSTEM MAY PROTECT YOU AND YOUR PROPERTY FROM DANGER. HOWEVER, A MALFUNCTIONING SYSTEM MAY DO JUST THE OPPOSITE.**

More than 96% of alarm calls are false alarms. The responses take public safety personnel away from proactive patrol efforts in the community. To help reduce the number of false alarms, the City Council adopted an alarm ordinance requiring all residents and business owners to register their alarm system with the city.

Registering your alarm system is easy. Go to [www.crywolf.us/sandyspringsga](http://www.crywolf.us/sandyspringsga) and follow the prompts to register your alarm system.

Registration must be renewed each year. Failure to register your alarm system will result in a \$100 fine. In the case of repeated false alarms (two or more), a series of graduated fines will be charged to the alarm user, ranging from \$50 to \$500 for each violation. Additional details can be found on the City's website at [SandySpringsGA.gov/Alarm](http://SandySpringsGA.gov/Alarm).

**CITY OF SANDY SPRINGS, GEORGIA**
